# **Annual Network Meeting**

November 26, 2021 | 9:00-11:00am EST <u>Zoom</u> | Meeting ID: 556 608 6418 | Password: 924934

## 9:00-9:15am

## Introductions

## **Dr. Heather Ross**

Site Lead, Ted Rogers Centre for Heart Research Head, Division of Cardiology, Peter Munk Cardiac Centre

## **Dr. Craig Simmons**

Distinguished Professor, Mechanical and Biomedical Engineering Scientific Director, Translational Biology and Engineering Program

**TRANSFORM HF** 

#### Dr. Laara Fitznor

Senior Scholar (retired), Faculty of Education, University of Manitoba

## 9:15-9:35am

# TRANSFORM HF Collaboration Starter Grant Recipients

#### Dr. Angela Mashford Pringle

Assistant Professor and Associate Director, Waakebiness-Bryce Institute for Indigenous Health

#### Dr. Quynh Pham

Scientist at University Health Network and Associate Director of the Centre for Global eHealth Innovation

#### Dr. Valeria Rac

Scientist and Health Technology Assessment Lead, Ted Rogers Centre for Heart Research and Toronto General Hospital Research Institute

## Dr. Robert Amelard

Postdoctoral Fellow, KITE-Toronto Rehabilitation Institute, University Health Network

### 9:35-9:55am

## **Heart Failure Innovation Pitches to Patient Panel**

#### **Panelists**

Jeanette Smith Noli Mosquite Wayne Sandvik

#### Pitchers

Dr. Isaac Chang (Mount Sinai Hospital) Dr. Robert Amelard (KITE-Toronto Rehabilitation Institute) Dr. Nasim Montazeri (KITE-Toronto Rehabilitation Institute) Isaac Chang (KITE-Toronto Rehabilitation Institute)

10:00-10:25am       Virtual Networking         Strategic Focus Areas       Diversity and Health Equity         Collaboration and Co-Creation       Remote Monitoring and Consultation         Wearables and Remote Diagnostic Sensors       Machine Learning and AI Algorithms         10:25-10:45am       TRANSFORM HF Trainee Award Recipients         Dr. Darshan Brahmbhatt       Clinical Fellow, Heart Failure & Cardiac Transplantation, University of Toronto         Dr. Nasim Montazeri       Postdoctoral Fellow, KITE, Toronto Rehab-University Health Network         Dr. Amika Shah       PhD Candidate, Institute for Health Policy, Management and Evaluation         Anthony Yong       Graduate Student, Department of Chemistry			
Strategic Focus Areas         Diversity and Health Equity         Collaboration and Co-Creation         Remote Monitoring and Consultation         Wearables and Remote Diagnostic Sensors         Machine Learning and Al Algorithms         10:25-10:45am         TRANSFORM HF Trainee Award Recipients         Dr. Darshan Brahmbhatt         Clinical Fellow, Heart Failure & Cardiac Transplantation, University of Toronto         Dr. Nasim Montazeri         Postdoctoral Fellow, KITE, Toronto Rehab-University Health Network         Dr. Amika Shah         PhD Candidate, Institute for Health Policy, Management and Evaluation         Anthony Yong         Graduate Student, Department of Chemistry	9:55-10:00am	Break	
Diversity and Health Equity         Collaboration and Co-Creation         Remote Monitoring and Consultation         Wearables and Remote Diagnostic Sensors         Machine Learning and AI Algorithms <b>10:25-10:45am TRANSFORM HF Trainee Award Recipients Dr. Darshan Brahmbhatt</b> Clinical Fellow, Heart Failure & Cardiac Transplantation, University of Toronto <b>Dr. Nasim Montazeri</b> Postdoctoral Fellow, KITE, Toronto Rehab-University Health Network <b>Dr. Amika Shah</b> PhD Candidate, Institute for Health Policy, Management and Evaluation <b>Anthony Yong</b> Graduate Student, Department of Chemistry	10:00-10:25am	Virtual Networking	
<ul> <li>Dr. Darshan Brahmbhatt</li> <li>Clinical Fellow, Heart Failure &amp; Cardiac Transplantation, University of Toronto</li> <li>Dr. Nasim Montazeri</li> <li>Postdoctoral Fellow, KITE, Toronto Rehab-University Health Network</li> <li>Dr. Amika Shah</li> <li>PhD Candidate, Institute for Health Policy, Management and Evaluation</li> <li>Anthony Yong</li> <li>Graduate Student, Department of Chemistry</li> </ul>		Diversity and Health Equity Collaboration and Co-Creation Remote Monitoring and Consultation Wearables and Remote Diagnostic Sensors	
Clinical Fellow, Heart Failure & Cardiac Transplantation, University of Toronto Dr. Nasim Montazeri Postdoctoral Fellow, KITE, Toronto Rehab-University Health Network Dr. Amika Shah PhD Candidate, Institute for Health Policy, Management and Evaluation Anthony Yong Graduate Student, Department of Chemistry	10:25-10:45am	TRANSFORM HF Trainee Award Recipients	
<b>Dr. Amika Shah</b> PhD Candidate, Institute for Health Policy, Management and Evaluation <b>Anthony Yong</b> Graduate Student, Department of Chemistry		Clinical Fellow, Heart Failure & Cardiac Transplantation, Toronto <b>Dr. Nasim Montazeri</b>	
10:45-10:55am Pitch Responses and Awards by Patient Panel		<b>Dr. Amika Shah</b> PhD Candidate, Institute for Health Policy, Management <b>Anthony Yong</b>	
	10:45-10:55am	Pitch Responses and Awards by Patient Panel	
10:55-11:00am Closing	10:55-11:00am	Closing
